Holy Spirit Series

Sunday 31 May

Ages 4-12

Lesson 4: Free Gifts!!

Scripture: 1 Cor 12:11

Why this series?

At the end of this series, we would like all of the kids to understand and know that Jesus died and went up to heaven, but that He sent us His Spirit, the Holy Spirit, to help us do His work here on earth. In addition, we would want all the kids to be filled with the Spirit. Today is our last lesson in this series.

Proposed program:

1. Parents explain what this is all about today (Gifts of the Holy Spirit). This is only a taster. There are so much more to learn! Ask kids what they've learned thus far.
2. Use the link provided to go to the Worship songs. We ALWAYS explain to the kids WHY we worship. We talk about it: He is so good, He is our King- that is why we lift up our hands or bow down. Just look at His incredibly creation, wow! We do it because we are so thankful to know Him. (Tip: do the worship with them so they can follow your example).

3. Get your Bibles ready. Look up scripture part. Sit down and watch the video together as a family. Feel free to pause and to answer questions. You can also read up all the other gifts! Remember to practice with them to hear God's voice.
4. Do the craft with the kids as per instructions given.

Thank you for joining us on this journey. Assure kids that this was only a drop in the bucket with regards to learning about the Holy Spirit. We have so much more to discover- whoohoo!!

Love
