Entitlement mentality...

- ...says I deserve more.
- ...says my needs are more important.
- ...life is better on the other side.

A dark, atmospheric photograph of a forest stream. On the left, a waterfall cascades down rocks, creating a misty spray. The stream flows towards the right, with a large, dark log lying across it in the center. The surrounding forest is dense and dark, with some moss visible on the rocks and banks. The overall mood is somber and contemplative.

Repentance is the act of exchanging the lie that holds us captive for the truth that sets us free.

– Lisa Bevere

Lack of ownership...

- ...says it's not my fault.
- ...says I'm a victim of my circumstances.
- ...says it's God's fault.
