**Matt 24:10-14; 45 - NLT**

**Matt 25:1-30 - NLT**

Jesus defines success as someone who are...

1....taking up spiritual responsibility of feeding others.

Jesus defines success as someone who are...

2.... remaining watchful and prepared.

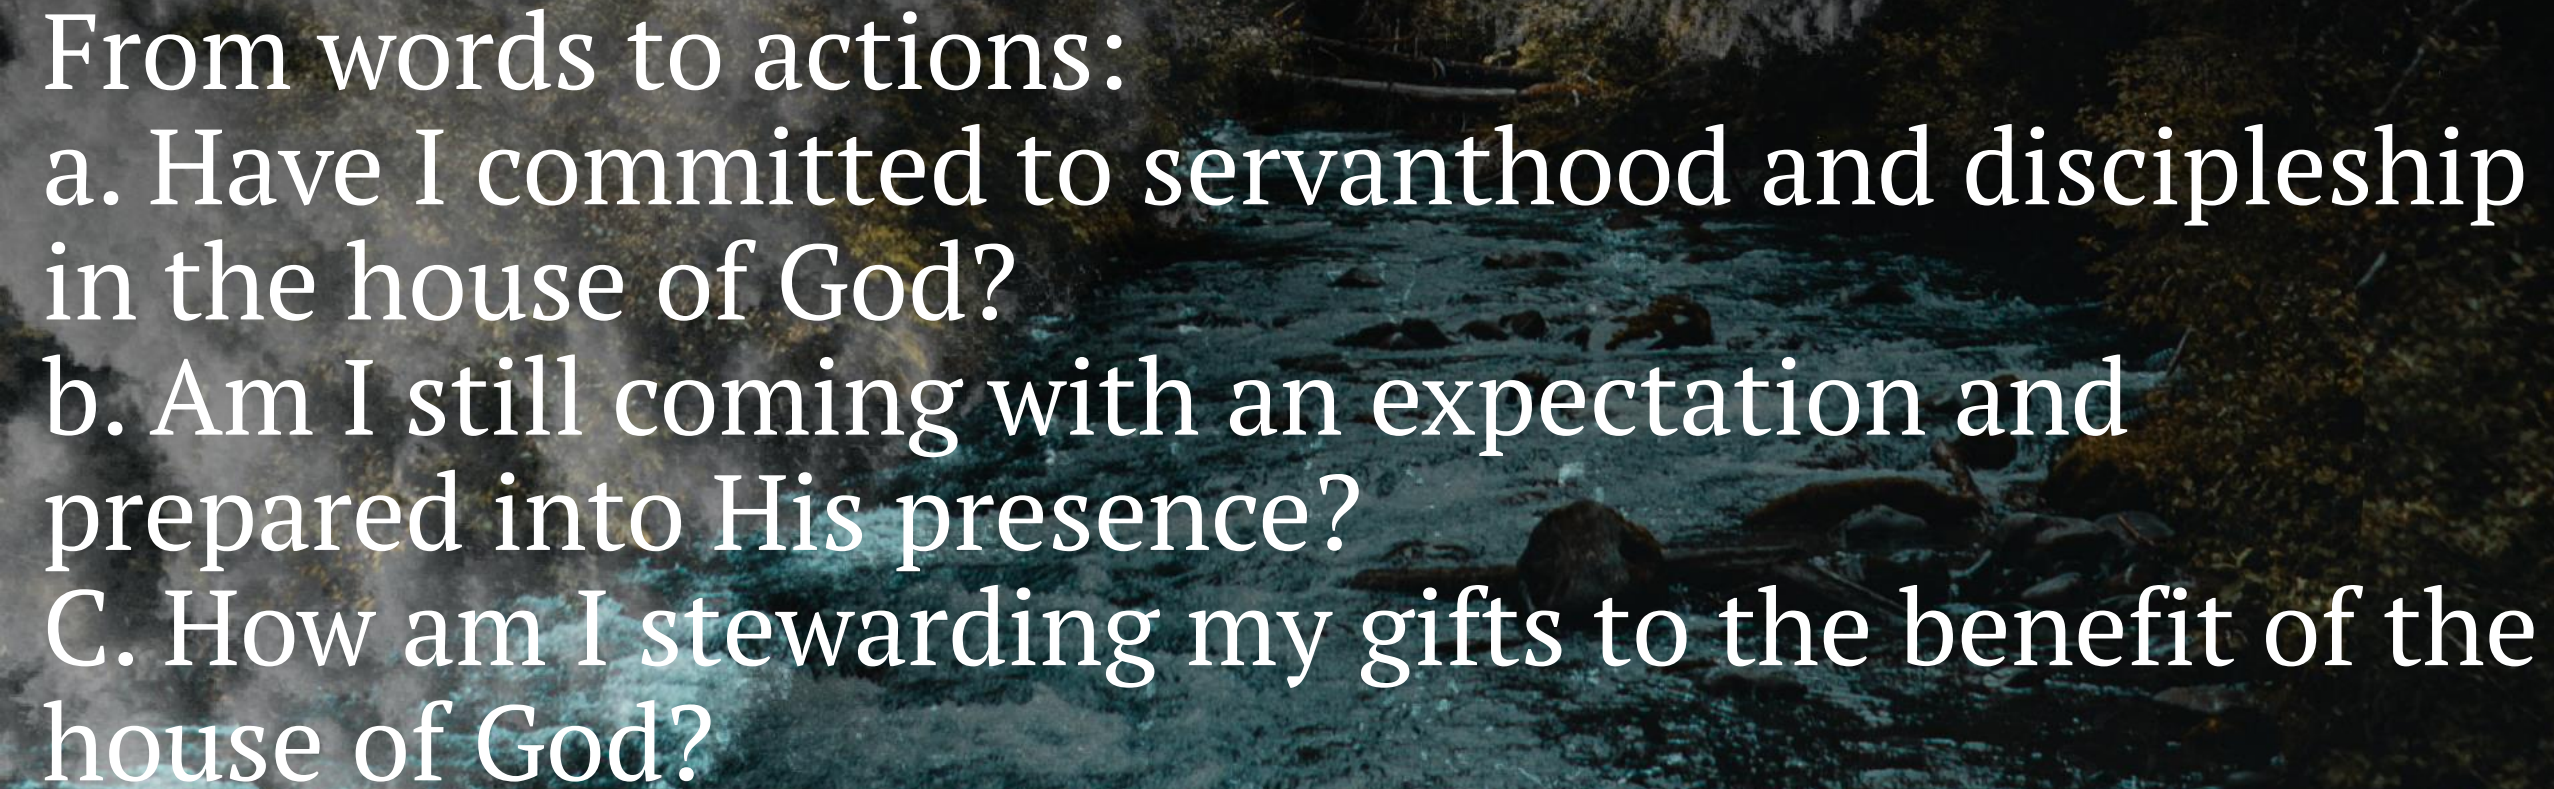

Jesus defines success as someone who are...

3....faithfully stewarding what has been entrusted to them.

From words to actions:

- a. Have I committed to servanthood and discipleship in the house of God?
- b. Am I still coming with an expectation and prepared into His presence?
- c. How am I stewarding my gifts to the benefit of the house of God?
